

CONWY (CAERNARVONSHIRE) GOLF CLUB.

Seniors Section.

Our aim in the senior section is to enjoy friendly yet competitive golf.

We have a long standing senior section with over 60 paid up members ranging in age from 55 to over 80, and handicaps ranging from 10 to 28. We hope to increase our membership this year, and look forward to welcoming new members into the section.

Our regular day for most competitions and home matches is Monday, although some are played on other weekdays.

We have an extensive and varied diary of events throughout the year which include 20 or so matches home and away with local clubs. All paid up members of the senior section are eligible to play irrespective of handicap or age. There are also away days, in-house trophy competitions, and of course, our annual Christmas lunch.

Potential new members over the age of 55 are most welcome to join us, as indeed are existing club members who have matured to this age.
