2's competition: 25 x 2's each worth £15.05

An exceptionally good score from the winners on such a nice day.

The money raised will go towards my charity for the year, the RNLI and to Lady Captain's charity, The North Wales Society for the Blind, specifically the Children's Fund.

Last year's Captains raised over £4500 between them, which included the costs for a Guide Dog Puppy and support for the children's charity Happy Faces.

On behalf of the Club I would like to express my sincere thanks for the support of all who played in the competition.
